GOOD LUCK AND GOD BLESS

If you are were paying attention while filling the forms, u would have observed that the application forms were sounding more like an interview. In other words **THE INTERVIEW IS ONLY AN EXTENDED FORM OF THIS WRITTEN QUESTIONNAIRE(S)**. All the possible questions which are normally asked in your interview have already been answered by you, in writing. (So what are u scared of....(question paper leak ho gaya). The reason being, initially this DS forms were designed to eliminate a personal interview; hence all the info which a Consul needed to reach a decision was made available through these forms. The preparation of these forms was actually an exercise in indirect interviewing. (whew)

Wanna Bet? Here we go...Your FAQ followed by the written form!

- Q1. **Why US ?** The mother of all questions.....(Refer Q 27 (DS-156))
- Q2. **Which University** (Refer Q 24 (DS-156), from here will arise further questions like **why this School / Program?** **Any other I-20's?** **What other schools have you applied to ?**

E-mail: ieac.india@gmail.com; ieacadvisor@yahoo.com. Mobile: 94400-29357

- Q3. **What is your background ?** (Refer Q 21 (DS-156) this will pave the way for questions related to your academics like **what is ur %age?** At times the Consul may also like to know **what you had been doing since your completions of studies,** in case u r not a fresher. Enter Q8 (DS 158) (Time to pull out that job experience letter u are carrying..he..he)
- Q4. **Who is funding /sponsoring you ?** (Refer Q 27 (DS-156))
- Q5. **Do you have anybody in the US?** (Refer Q 37, Q22 & Q25 (DS-156) why on earth would the student want to come early to a new place even though he has shown he has no one in the US and end up spending on a hotel when he has no confirmed accommodation (Q24 DS 156)...a dead give away.
- Q6. **What happened last time ?** (previous reject info) ((Refer Q 31 (DS-156)... Previous reject maybe trying to hide (refer Q11 - DS157)
- Q7. **You are not eligible for a visa today, cuz you are a potential immigrant and you will not come back to India?** (How did he know that) Refer to Q17. DS 157, where u wanted to list out all the courses that u had done in life...message conveyed friend is trying to prepare for future employment on one hand and trying to mislead me Q32 (DS 156)....Q26 (DS 156) vague answers indicate 'not so honest' intentions. This info clubbed with your actual performance during ur interview can spell the death knell for you... so beware and be on ur toes during the interview....confidence baba confidence....
- Q8. **Ur family background?** Q17, 18 &19 DS 156 + Q6 DS 158...(single ppl always attract consular attention & so do large families).....R u really well off as u indicate ? (Q9 DS 157) (more grilling on ur finances)..ties to homeland how busy were you apart from studies (Q13 DS 157)

Q14 & 15 DS 157 talk about what u might have been doing apart from studying (just kidding)

Time to move on with the oral viva voce...your interview.... Q.E.D

So friends, I can go on and on but just to drive home the point...we have just answered the notorious FAQ's of the Visa Interview in writing, **So please do pay attention to what u r filling in cuz the info which u provide will become a permanent INDEFINITE record with the US Dept of State**Scary isn't it..... and please do retain a copy of what u have filled in for future use / reference, as u keep ur academic certificates....We may need it the next time (god forbid) or our bro or sis could be the next one who would like to go to the US of A and surely we don't want to make their life miserable right?

Bye for now....any questions will be glad to be of assistance

Regards & Good luck

Hafeez
